

An underground mine tunnel with a large orange piece of machinery on the left side. The walls are dark, jagged rock, and the floor is covered in loose rocks. A metal mesh structure is visible on the right side. The scene is dimly lit, with a bright light source illuminating the center of the tunnel.

REDEFINING AN INDUSTRY

INTRODUCTION

About Lundin Mining

Lundin Mining is a diversified Canadian base metals mining company with operations in Brazil, Chile, Portugal, Sweden, and the United States, primarily producing copper, zinc, gold, and nickel.

Our Mission

We responsibly mine base metals vital to society, creating meaningful value for our stakeholders.

Our Values

Safety

We hold health and safety as our top priority in everything we do.

Respect

We embrace diversity, inclusion, open dialogue and collaboration.

Integrity

We do what is right and honour our commitments.

Excellence

We set high standards and challenge ourselves to deliver superior performance.

About Us

Eagle Mine

Eagle Mine is an underground, high-grade nickel and copper mine located in western Marquette County of Michigan's Upper Peninsula. It is the first mine to be permitted under Michigan's Part 632 Non-Ferrous Mineral Mining Law. The mine is expected to produce 365 million pounds of nickel, and 295 million pounds of copper, and trace amounts of other minerals over its estimated mine life (2014 – mid-2025).

Humboldt Mill

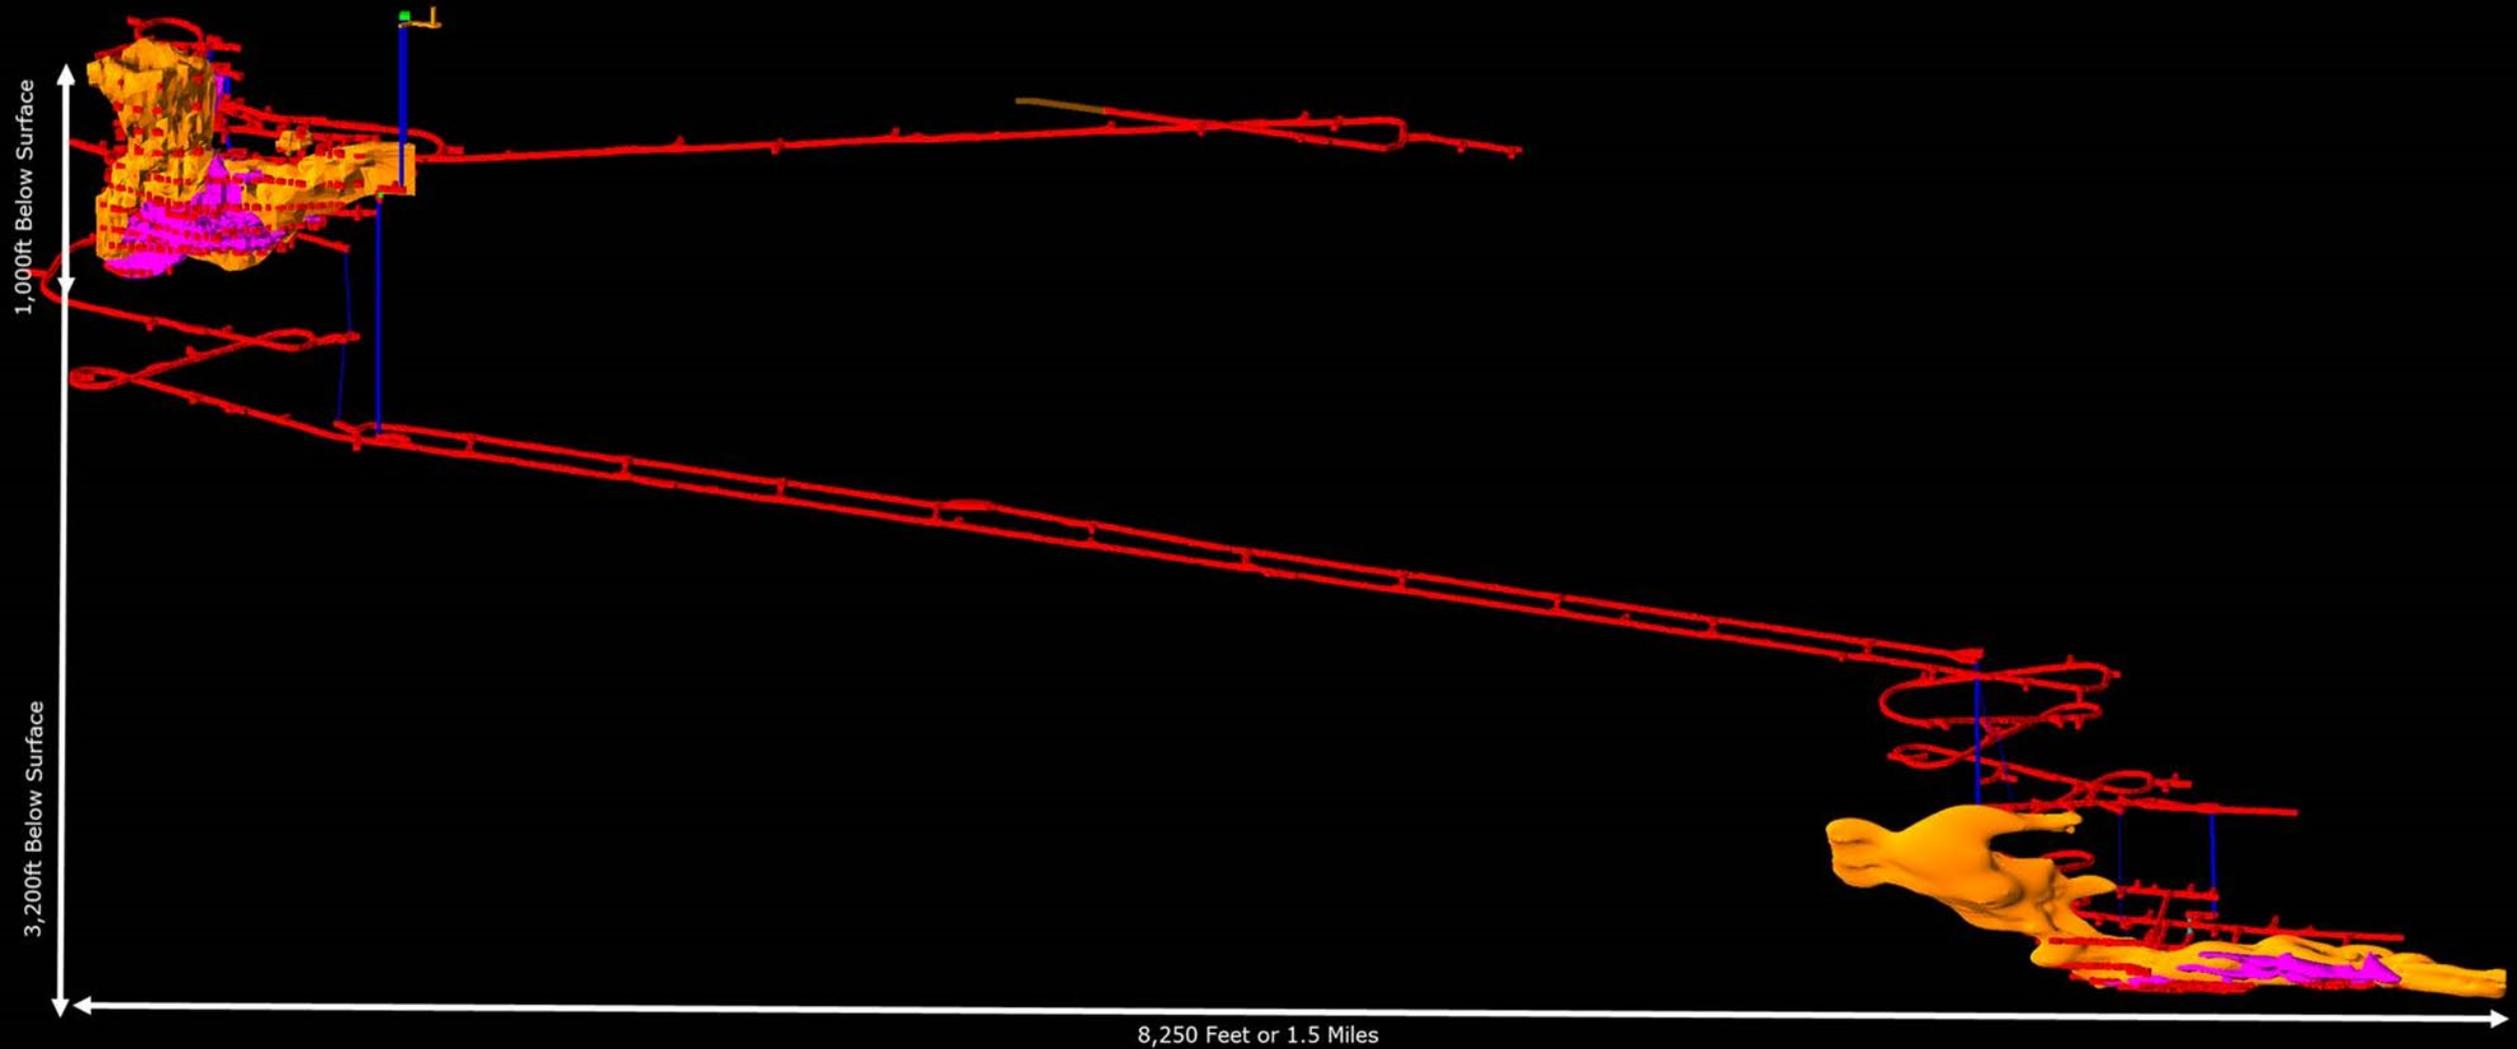

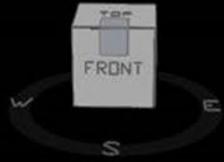

The Mill uses conventional crushing, grinding, and floatation methods to produce separate nickel and copper concentrates. Approximately 2,000 metric tonnes of ore are milled per day.

Climate Change Assessment

Reducing the impacts of climate change through mitigation and adaptation.

A scenic view of a river at sunset. The sun is low on the horizon, casting a warm glow over the water and the surrounding forested hills. The text "THANK YOU" is overlaid in large, white, bold, sans-serif capital letters across the center of the image. A yellow triangle is positioned in the top right corner, pointing downwards and to the left.

THANK YOU
